Annual Report on Academic Audit, Learning outcome, Teaching-Learning Programmes (2023-24)

This year teaching- learning activity was conducted:

- Progression of the Students was evaluated by the concerned faculty on the basis of internal tests and assignments. The students were guided and advised to improve their academic performance and writing skills in the annual examination.
- The internal academic committee comprised of senior faculties of various streams, discussed student's performance.
- A well contemplated timetable was prepared and implemented under the supervision of principal and IQAC committee.
- Learning outcome of different courses was discussed by concerned teachers.
- Completion of syllabus was stressed and attained.
- The slow learners were identified and guided by concerned teachers.
- Different guest lectures were organised.
- Several faculties used ICT enabled tools in their classrooms.

Dr. Avinash Sharma
Incharge, IQAC
