

Government Kavyopadhyay Hiralal College, Abhanpur, Chhattisgarh

Principal's Annual Report (2022-23)

Established in 1989 our institution, situated on the Kathia mod along the Abhanpur-Rajim road, is an important college of this locality which is primarily rural and is spread on about 16 acre area. In this academic session of 2022-23 total 2445 students has been enrolled. Students get admission in all three streams. The college offers programmes like DCA, PGDCA and BCA also. Almost equal number of private students opt this college as their examination centre. Again, it is the examinations centre of neighboring colleges like Gracious College, Netaji Subhash College, CIT College and Rawatpura Sarkar University also. Annual examination is held at UG level while at PG examination, semester system is followed. In session 2022-23 1067 students appeared in final year exam and 525 students passed the exam. From this session PGDY Yoga has been started in our college. We got the permission of the higher authority of the department to start M.Sc. in Chemistry from the next academic session. Our students fetch good marks in the annual examination for which I congratulate them. They are the strength of our college who are trained to support the society in future. They took an oath on the Nation Unity Day on 31ST October, 2022.

With the financial help of Janbhagidari committee our college successfully installed solar panel to get uninterrupted electricity in 10 classrooms for which we are thankful to the chairman of the Janbhagidari committee. We also thank our honorable MLA for his needful support and kind gesture for granting us Rs. 40 lakh for the construction of three extra class rooms. We are highly obliged. We are pondering to have a canteen and a toilet in future for the parents who come to the college.

The sportspersons of the college participated in different sports event at sector, university and state level and brought laurel to us. They displayed their marvel in events like kabaddi, khokho, ball badminton, cycle race, athletics etc. Our B.Sc. student *Chanchal Yadav* was selected in national level ball badminton.

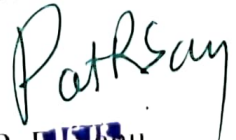

At cultural front, apart from regular college events, our students participated in the *Yuva Utsav* contest in the auditorium of Pt. Ravishankar Shukla Univricity, Raipur on 15th November

and displayed marvelous *Suva dance* and *Barah masi dance*. To encourage voting the students participated in the quiz competition in Govt. Nagarjuna Science College, Raipur. It was held under *Sveep programme* of the Election Commission. In the voters awareness programme M.A. Political science students Sagar Josi and Digesh Sen were declared as winner. Congratulations to them. On 12th and 13th December 2024 the SDM registered 164 students as the new voters who had completed 18 year age.

On 10th December we observed Human Rights day. On *Tobacco Control Day* the 350 students participated in a workshop to listen on disease like mouth cancer, breast cancer, cervical cancer, filarial by the doctors of CHC of Abhanpur on 19th December, 2022.

The volunteers of NSS participated in special one week camp from 4 to 10 January and did constructive works. The NSS organised Road safety workshop with the help of personnel of the Police Station, Abhanpur and also learnt about how to be safe and prevent the on line fraud. The Red Cross society observed *Aids day* on 1st December. The students made rangoli and handmade posters and wrote slogans on this theme in November. In August and September booster dose of Covid was administered to the students in which the natives also took part. The career counselling cell organized a workshop in which the ASP rural, Mr. Kirtan Rathod guided the students. On 16th November sickle cell checkup camp was organized with the help of Raipur medical college in which 300 students took part. On 2nd December health checkup camp was organised for the students and staffs.

Most of the students go to other college for PG and so we request our authority to allow us to start new PG courses. We demand starting of PG in Chemistry, Geography and Sociology and create the post of head clerk and other official staffs as the number of student is very high.
